

South High School staging open house

Staff report

The Tribune-Star

TERRE HAUTE— Terre Haute South Vigo High School will showcase improvements and new equipment in its Career and Technical Education programs during an open house and curriculum fair from 7 to 8 p.m. today.

Students, parents, community members and representatives of business and industry are invited.

Room 215 highlights a new state-of-the-art automated manufacturing station, while Room 158 has been revamped to better represent the marketing industry. Other highlights include a new food lab, new CNC embroidery machine, remodeled welding lab and an engineering design lab with a 3-D Rapid Prototyper.
